Press invitation

Invitation to Press Briefing – 5 March 2025

In connection with the publication of results from two independent research studies on ColdZyme, Enzymatica AB invites to a digital press briefing on 5 March 2025.

The press briefing will be divided into two parts:

- 13:00–14:10 The researchers will present their findings and be available for questions
- 14:15–15:00 Enzymatica's CEO, Claus Egstrand, and Chairman, Bengt Baron, will present a company overview and be available for questions

The press briefing will be broadcast live. To participate in the live discussion, please register via this link: <https://creo-live.creomediamanager.com/eda7c0f6-7107-4d87-b409-82bdf2d58605>
